

Yessy Vasquez

East Hartford, CT 06108 | YessyVasquez@icloud.com | (860) 814-5421

Open to relocation: Windsor, West Hartford, Hartford, East Hartford, CT | Authorized to work in the US

PROFESSIONAL SUMMARY

Detail-oriented and motivated cybersecurity student with hands-on experience in SOC operations, threat detection, and SIEM implementation (Wazuh, AWS CloudTrail). Brings a strong foundation in client service, safety compliance, and team collaboration from a client-facing career in the beauty and hospitality industries. Bilingual in English and Spanish. Seeking a SOC Analyst or IT support role to apply technical training and a proactive approach to security monitoring.

EDUCATION

Cybersecurity — Tech School Program Feb 2026 – Present

Stafford, CT

- Completed SOC 1 coursework covering SIEM implementation, threat detection, and incident response
- Hands-on labs with Wazuh (Docker), AWS CloudTrail S3 integration, MITRE ATT&CK framework, and SOAR automation via Shuffle
- Documented security incidents using industry-standard IR methodology

General Educational Development (GED) *Completed Apr 2025*

East Hartford, CT

WORK EXPERIENCE

Nail Technician Sep 2023 – Present

- Deliver high-quality nail services (manicures, pedicures, enhancements) to a consistent client base, maintaining a 5-star reputation through attentive customer care
- Manage inventory by tracking product stock levels and coordinating orders with vendors to ensure supply continuity
- Enforce sanitation and safety protocols to prevent cross-contamination and comply with state health regulations — directly applicable to security and compliance mindsets
- Schedule and manage appointments efficiently, demonstrating strong organizational and time-management skills
- Collaborate with a team of technicians and communicate professionally with suppliers to negotiate competitive pricing
